Making Jesus Real (MJR)

Be Determined:

SEARCH FOR THE SECRETS YOU HIDE

There are many stories of people who have represented State and Country and attended primary school just like St Joseph's. Many, in their wildest dreams, would not have believed that they had enough talent to achieve what they later managed to do. They had to develop over the years often discovering skills, abilities and talents that they didn't previously know they possessed.

You have so many wonderful gifts (personality, studies, science, maths, music, craft, sports) that you don't know you have. There are so many stories of people developing different talents so much later in life.

Reflection questions:

Do you have a dream for myself?

Believe in the dream but don't put overly high expectations on yourself. What are these dreams?

Mini Vinnies Students visit Mick Glennie Hostel

Jack Buchanan, Will Boag, Naite Holmes, Phoenix Ninacsics, Abbey Carter, Christian Steer, Cody Thomas-Rope, Bailey McBrien, Mrs Toole and Mr Gibbons had our first visit to the Mick Glennie Hostel on Thursday 7/8/14. On our arrival, we were met by Mrs Jackie Chapman and Mrs Rebecca Smith who welcomed us and provided instructions on how to maintain hand hygiene while at the hospital and in the hostel.

We were then given a tour of the whole facility before spending some time chatting with Frank, John, Gloria and Mona who were relaxing in the hostel lounge area. They were all pleased to have the students visit and Mona was very keen for the students to see the garden that she maintains just outside her room. Within the garden she had a range of established and freshly planted flowers.

Paul Beetson, Hamish and Lachlan Donnelly, Caroline Walsh and Mrs Toole were the second group to visit the Mick Glennie Hostel last Thursday 14/8/14. This group was warmly greeted by a few extra residents - they had a good chat and the students shared some photos of the school and garden with the residents.

The residents were grateful for the students' visit and the students enjoyed visiting as well. Each week Mrs Toole and Mr Gibbons will continue to take members of the Mini Vinnies group to visit the hostel on most Thursdays at lunch time.
